

Construction Permit
Review Analysis & Technical Review

Company:	GAF Materials Corporation	Permit No.:	48785
City:	Dallas	Record No.:	82846
County:	Dallas	Account No.:	DB0378S
Project Type:	CRVW	Regulated Entity No.:	RN100788959
Project Reviewer:	Mr. Joshua Reddoch	Customer Reference No.:	CN600474753
Facility Name:	Asphalt Roofing Line 1		

Project Overview

GAF Materials submitted a VERP application to authorize asphalt roofing production line 1. The company chose to authorize this line by amending permit 7711A. The VERP is no longer necessary.
